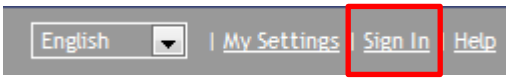
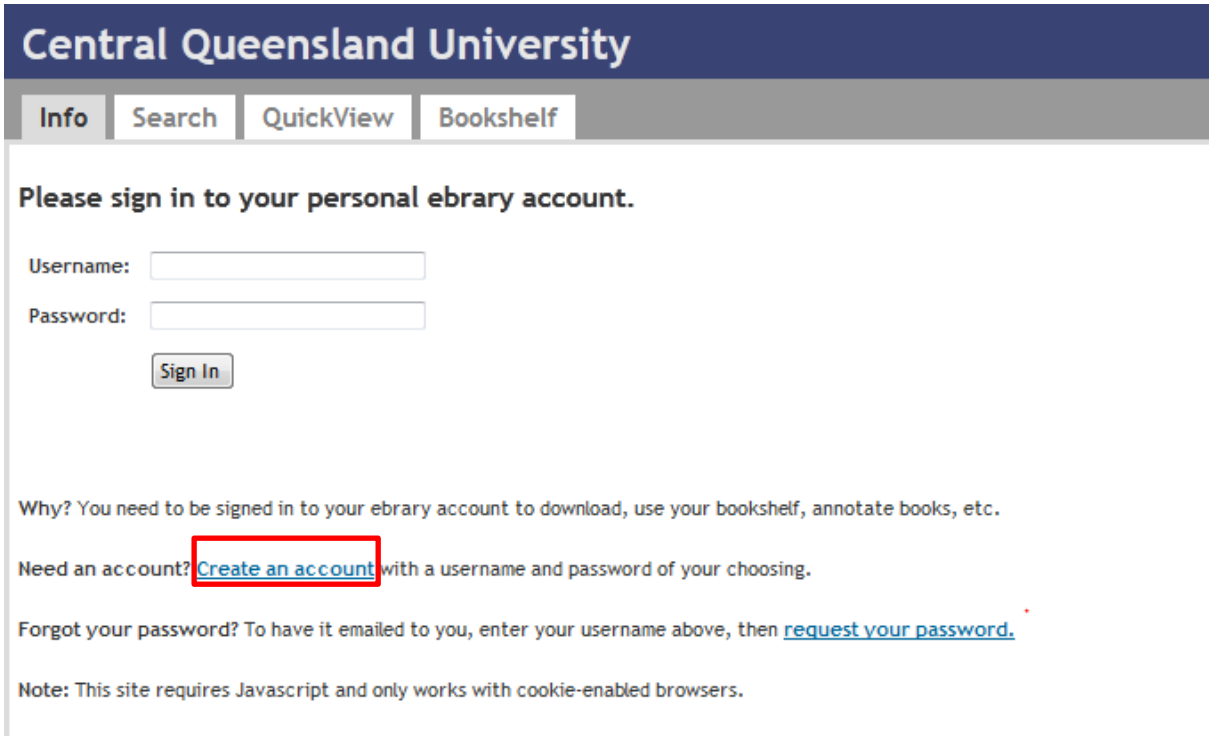
To download an e-book from Ebrary:

Note: To download an Ebrary e-book you need **Adobe Digital Editions**. You can download this software from http://www.adobe.com/products/digital-editions.html using these instructions.

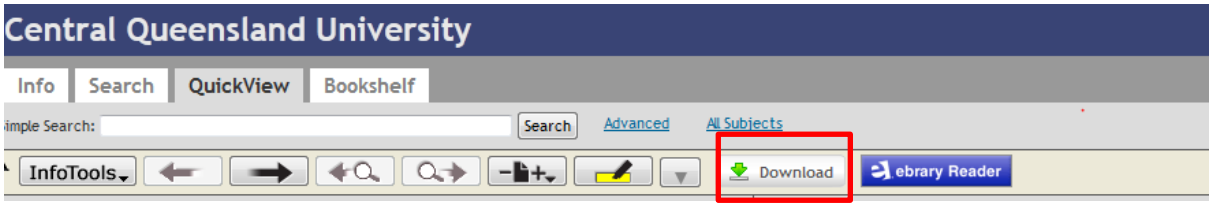
1. Click sign into Ebrary. The Sign in Link appears at the top right of the screen.



2. If you do not have an account, click Create an account and fill in the form.



3. Go to the e-book you wish to use and click download:



4. Choose your download option:
   a. Create a PDF of a chapter or pages (maximum 60 pages)
   b. Download entire e-book for 14 days using Adobe Digital Editions or compatible mobile app such as Bluefire.
