

Mount Morgan Mine Photograph Collection

35mm Colour slides

Many of the slides are undated but precede 1990 when they were donated to Central Queensland University Library.

Some of the slides include mining areas other than Mount Morgan.

Slides are numbered by page number and slide number in **Book 1** binder (e.g.1-15) or box number and slot number in **Box 1** and **Box 2** (e.g. B2-34).
