A Natural Remedy

Time was when disease was thought to be due to the direct influence of evil spirits, and exorcism and magic were invoked to cast it out.

Science has taught us wisdom. The evil spirits exist still. We call them "Disease Germs," and they also must be cast out. Once lodged in the stomach or intestines, fever with its hallucinations, or biliousness with its aches and pains, is the result.

Eno's 'Fruit Salt'

is the approved remedy for driving out disease germs. Its action is quick and thorough. It clears the intestines, rouses the torpid liver to new life, stimulates the mucous membrane to a healthy action, and cleanses and invigorates the whole digestive tract.

It may be safely taken at any time by old or young.

It is very effective in the early stages of Diarrhoea by removing the irritating cause.

Be prepared for emergencies by always keeping a bottle in the house.

Prepared only by J. C. ENO, Ltd., 'FRUIT SALT' WORKS LONDON, S.E.

**Waterman's
Ideal
Fountain Pen**

An Editor writes:

"I am sometimes asked which among the many Fountain Pens on the market I consider the best. Well, one can only speak from experience, and I have found Waterman's Ideal by far the most satisfactory. One is tempted to buy a cheap pen, and to do that is to regret it ever afterwards. An easy, fluent, quickly responsive pen is a joy to anyone who has much writing to do; a defective pen is an everlasting nuisance."

WATERMAN'S IDEAL FOUNTAIN PENS are sold at 10/6, 15/6, 17/6, 21/6, 25/6, 35/6, and upwards. In Silver and Gold for Presentation. Of Stationers, Jewellers, &c. Booklet, post free, from L. & C. Ask your Stationer to show you WATERMAN'S IDEAL SAFETY PENS and PUMP-FILLING PENS at 12/6 and upwards.
